

City of Pilot Point, TX Operational Update Week of February 12, 2018

Library

Free tax preparation continues to be offered through the United Way's Denton County's V.I.T.A. on Tuesday evenings. Wednesday morning, "Hugs and Kisses" a Valentine's Day theme storytime was held, the preschoolers enjoyed the books, "The Hug Machine" and "Froggy's First Kiss" and made a heart caterpillar.

Ms. Erica visited the Pilot Point Intermediate School and read to the 3rd, 4th, and 5th grades as part of their "I Love Reading" event on Wednesday. On Thursday the Library held Yarn Buddies at 11:30 a.m. and Exercise Club at 5 p.m. A second exercise club is scheduled for Saturday morning at 9:30 a.m.

The Library recently added over 150 DVDs through the generous donation of the Breslin family. The Pilot Point Library is one of three Denton County libraries who are increasing their DVD collections

through the Janene Breslin Media Collection. This project is ongoing and the Library will be adding more DVDs as they become available.

The Library has handed out 71 reading logs for our “Get Cozy with a Good Book” adult reading program. Completed logs are entered into a drawing for fun prizes. This program will run through the end of March.

Next week the Library’s schedule includes: V.I.T.A. free tax help on Tuesday evening; Music & Movement on Wednesday morning; plus on Thursday, Yarn Buddies at 11:30 a.m. and Exercise Club at 5 p.m. Completing the week will be a Saturday game day.

Public Works

The Public Works Department has had a busy week. Crews completed drainage work at Old City Park. The Water crews added valves to the water line on Jordan Moore Road. They also fixed a water leak on East Liberty Street.

Two new employees have started in the Public Works Department. Brian David (on the left) came to work for us as a new water utility technician. Brian was born and raised in Pilot Point but now lives in Valley View with his wife and 7 kids. Brian worked for TNL Septic where he installed and inspected septic systems for the state. Brian has many hobbies but on the top of his list is coaching youth sports baseball with his kids and fantasy football. Welcome Brian!

John Freeman (on the right) came to work for us also as a new water utility technician. John has more than 25 years of experience working with water utilities. He holds a class B Surface Water License and spent the bulk of his career with Dallas County Park Cities Municipal Utility District as a plant operator. He also worked with the City of Port Lavaca in the Public Works Department managing the water quality testing and backflow prevention inspections. John is married and lives in Sanger. He enjoys spending time with his two daughters and five grandchildren and is an avid Texas Rangers fan. Welcome John!

Finance

Vanessa Watkins has started as Pilot Point's Municipal Court Clerk. Vanessa is a resident of Denton County for over 20 years and a mother of a 14 year old son. She was a Deputy Clerk with Denton County for 5 years at Justice of the Peace, Precinct 2; and is also a Certified Criminal Clerk by the Texas Justice Court Training Center. She is passionate about customer service and serving the public, as well as a self-taught cake decorator! Great news for us! Welcome Vanessa.

Police

Shane Burris, our newest police officer, is originally from southern California. Shane escaped to Texas after high school and worked in construction for many years. In 2012 Shane began his career in Law Enforcement with the Aubrey PD. Shane lives locally and is newly engaged. Shane has two young daughters from a previous marriage. When not at work Shane enjoys riding his motorcycle and spending time with family. Shane advised he is very excited to join the team at Pilot Point and looks forward to getting to know and interact with the residents and city staff. Welcome Shane!

Community Development

The City has a number of building projects going on at any given time. The Operational Update will provide a summary each week of the various projects and a status update. A flowchart is provided with the various stages of development. A green box indicates that stage is complete, a yellow box indicates in progress, a red box indicates the project has been halted by the developer or the City and a gray box indicates the developer has not reached that phase yet.
