

City of Pilot Point Operational Update Week of June 11, 2018

Main Street

Pilot Point Main Street will be hosting the 4th Annual Hot Rods and Heroes Car Show which benefits Pilot Point's First Responders, on Saturday, June 16th. The event is scheduled from 10am-2pm and registration begins at 9am. A portion of the entry fee goes to the first responders and the Police and Fire Departments will be grilling hot dogs and hamburgers for donations. In addition, the Police Department and Fire Department will be hosting open houses at their respective buildings from 10:00 to 1:00

Library

Summer programming officially began on June 5th and the Library has been a busy place. Our first week began with Storytime Yoga on Tuesday, the Southwest Dairy Association gave a presentation with a live cow about milk and nutrition on Wednesday, the movie "Ferdinand" was shown on Friday and Texas A&M AgriLife is presenting "Cooking with Diabetes" on four Friday afternoons in June. (Photo right)

This week the Perot TECH Truck visited the Library and everyone enjoyed multiple STEM based stations on Wednesday (photo on the next page). About 65 participants attended the event. Other Library events included Music and Movement on Tuesday, A Park ranger from Lake Ray Roberts will be presenting a Teen program on Thursday afternoon about making primitive fires, and the movie "Nanny McPhee" will be shown on Friday.

Next week the Library will be hosting the Ft. Worth Capoeira, a Brazilian martial arts group, on Wednesday morning, showing the movie “Muppet Treasure Island” on Friday, plus will be doing a Preschool Music and Movement on Tuesday morning, and hosting a game day on Saturday.

Police

Officer Robert Nerl, members of the Pilot Point PD and local artist Justine Wollaston collaborated to create some local art outside the police station along Jefferson to compliment the recently completed art on the adjoining curb line on Main St.

Community Development

The City has a number of building projects going on at any given time. The Operational Update will provide a summary each week of the various projects and a status update. A flowchart is provided with the various stages of development. A green box indicates that stage is complete, a yellow box indicates in progress, a red box indicates the project has been halted by the developer or the City and a gray box indicates the developer has not reached that phase yet.
