

PILOT POINT POLICE DEPARTMENT

Commend a Police Officer

How to Commend a Police Officer:

Police Officers, like everyone else, are grateful when someone expresses appreciation when they do a good job. Each year the Pilot Point Police Department receives many expressions of gratitude in the form of thank you letters, phone calls or in person. Nonetheless, for each one received many commendable acts go unnoticed. The City of Pilot Point Police Department would like to hear from you if you feel that you have received service that deserves recognition. You may write, call or email your message to Chief of Police Ric Sadler at:
