1. Any service turned off after the first of the month will be billed another bill. If there is a deposit on the account, it will be applied to the last bill. If any part or all of the deposit is remaining it will be returned to the person named on the account. It is therefore important that we have a good can be reached number and a good forwarding address.

2. Please make sure you leave the trash and recycle cart at the address, as they belong to that address. If not it will be billed to your last bill.
