\$10.00 per Day

We are currently participating in the TNR (Trap Neuter Release) Program. All Feral Cats trapped will be spayed/neutered and returned to the same area that they were trapped.

Pilot Point Animal Control may be contacted at
 940-686-2444 or 940-686-2969

Do you need help with word processing, mouse and keyboarding skills, creating folders, email, internet searching, or saving documents?

The Pilot Point Community Library is offering basic computer classes on Wednesday mornings from 8:30 am until 9:30 am through April and May. You must have a library card with us and register to attend as space is limited. Class size will be small so that we can provide individual attention. Library cards and all instructional classes are free to Denton County residents.

If you don't need computer classes, drop by and begin enjoying our bestselling books, magazines, newspapers, movies, audio books, internet access, Microsoft productivity software, online databases, Wi-Fi hot spot and children's programming. It's all FREE with a library card!

Welcome new
 businesses:

Bott Family Dentistry
 1223 S. Washington

McDonalds
 1230 South Hwy 377

The 19th Century Club will host the 67th Homecoming "Decoration Day" on the first Sunday in May.

Place: High School Cafeteria. It is a time for friends and family of Pilot Point Families to come together for lunch and fellowship. Covered dish luncheon will be served at 12:30pm.

Building Permit Questions

City staff often receives phone calls asking if a building permit is needed for some type of project around the house or yard. There is no single answer but generally the majority of home improvement projects will require a building permit. Simple home maintenance projects such as replacing a piece of window trim or painting do not require a permit. Building or replacing a fence does not require a permit.

A few of the more common projects that do require a building permit are:

- Replacing a water heater;
- The construction of a carport or a storage building;
- Replacing a heating/air conditioning unit. Window unit air conditioners do not require a permit;
- Installing a yard irrigation system;
- Adding a new circuit to an electrical panel; or
- Running a new electrical line to a storage building.

The City requires building permits and inspections to insure that work is done in a correct and safe manner. Many projects that require a permit can be done by the homeowner but others require professionals such as electricians or plumbers.

Some yard projects may require the locating of buried utility lines before work is started. The City of Pilot Point will visit your site to look for underground city utility lines at no charge. You can call 800-DIGTESS or 800-344-8377 to have other buried lines, such as electrical, phone, or gas, located also at no charge.

If you have any questions about building permits please call us at 940-686-2165 and we will be more than happy to talk with you about your project.

The Denton County Health Department will be providing application assistance for the Children's Health Insurance Program (CHIP) and Children's Medicaid to residents of Pilot Point, Sanger and surrounding areas on the third Monday of each month from 1-3 p.m. at Sanger Bargain Depot in Sanger. Please bring the following items if you would like to apply:

- Driver's License or other gov't issued photo ID
- Proof of Citizenship or Immigration Status for the children you want to enroll
- Proof of Income from your employer from the last 60 days
- Proof of Child Care or Dependent Adult Care Expenses

Any unpaid medical bills for each child from the last 3 months

If you have questions about CHIP or Children's Medicaid, you can call CHIP at 1-877-543-7669 (1-877-KIDS NOW).

City Staff has worked hard to help our City Boards set a regular schedule so all the citizens know when each board meets. Participation is always welcome.

In addition, please remember that all our boards are volunteers and the City is always looking for citizens that is willing to serve their community. If you would like to serve on a board, please contact the City Secretary Alice Holloway at 940-686-2165 ext. 19 or at aholloway@cityofpilotpoint.org.

Please remember that our Fire Department is always looking for volunteer firefighters. Training is provided.
